PROGRAM OF STUDY : ESTHETICS

Esthetics profile is a two-year program.
The program of study for estheticians aims to create professionals in the field of esthetics. The main role of an esthetician is to take care of the skin and this can be achieved by having a completed profile in 360 degrees with regard to all the theoretical knowledge, information obtained by scientific studies, and also demonstrations and practical hours in all the disciplines of this field.

DURATION: 2 ACADEMIC YEARS (1500 HOURS DIVIDED INTO 4 SEMESTERS)

PROGRAM OF STUDY: HAIR ARTIST

The Hair Artist profile at TESS takes place in a two year program. This program aims to prepare professionals in the field by providing a complete professional formation. The program includes knowledge that is related to the anatomy, hair and trichology as well as knowledge related to managerial and communicative skills necessary for this field. A necessity for this area are also the theoretical knowledge, demonstrations and practices related to hair processes such as treatments, hair colouring and hair cutting which will be studied in the Hair Artist program.

DURATION: 2 ACADEMIC YEARS (1500 HOURS DIVIDED INTO 4 SEMESTERS)

PROGRAM OF STUDY: MAKE UP ARTIST

This program is designed to enable a full and all inclusive formation to gain all the necessary knowledge for the profession of a Make Up Artist. At TESS this is achieved by maximizing the creative skills of the students and by reinforcing the talent they have, to be prepared to meet all the requirements as professionals of the field in the highest levels required in the make up industry nowdays.

The programs include lectures on the importance of theoretical studies, combined with demonstrations one-to-one practices and individual projects.

DURATION: 1 ACADEMIC YEAR (750 HOURS DIVIDED INTO 2 SEMESTERS)

WHAT IS THE FUTURE CAREER OF A PROFESSIONAL AFTER STUDYING AT TESS?

AN ESTHETICIAN'S JOB

For those who are passionate about the field of cosmetology but want to specialize in skin care studies, the career as an esthetician is the right choice. After graduating, the students work in SPA's or salons where they offer clients treatments and therapies for face and body, reflexology, aromatherapy and wax treatments. The school for estheticians also provides skills about recognizing skin problematics which need knowledge from dermatology.

A good esthetician must be able to work well with her hand and to have a good behavior. They should feel comfortable with working one-to-one with the client and at the same time to make the client feel calm and informed about the needs of a good skincare. The need for professionals in the field of esthetics is a growing in the developed countries of the world. Works that can be performed by an esthetician are related to in salon services and also SPA's as estheticians, trainers in esthetics schools, esthetics product development and also sales representative for companies which trade skin care products.

A HAIR ARTIST'S JOB

A Hair Artist is the professional of the look of a person who cuts and styles the hair. According to the US Bureau of Statistics, hair stylists are often referred as cosmetologists even though cosmetologists provide other services such as hand or foot care. Hair stylists use a variety of styling techniques to change ore maintain the hair style of clients.

Hair artists work starts first with the client's consultation to determine the client's needs before deciding which method will be applied. After styling they give advices for the maintenance of the hair at home. These individuals need to be trained on the proper way they should market themselves and create and keep a customer base. Hair artist who open their salons have other tasks too, that include accounting, ordering and staff supervision.

The Bureau of Labour Statistics in the US, shows that job opportunities for hair artists and cosmetologists is precidted to to increase by 10% in 2014-2024. Hair Artists can work as barbers, in salons, in hotels, SPAs or resorts. The growing need for hair stylists will lead to increased work opportunities. Hair Stylists can also be employed in image related industries such as modeling and television.

A MAKE UP ARTIST'S JOB

A make up artist is a person who uses cosmetic techniques to create beauty in the human body. The artist knows how to make the subject of his art appear in its best form and at the same time to adapt art in accordance with light conditions and digital photography. Thanks to digital cameras, make up artists are increasingly working for weddings, fashion photography, event photography, photo shoots for staff companies and other events that are filmed or photographed.

The other main type of work as a make up artist is a make up artist for theatres and movies. In this case the artist makes the actors features more visible to emphasize his or her character that they are performing. Young actors can be made to look older, and older actors can seem younger, creative characters can be created from nothing and make up can change as the character changes throughout the history
